

4K Horse Training – Full Training Program Information

\$1,500/month – All Inclusive

What's Included:

Full Board – Your horse will be housed in safe, clean facilities with daily care, stalling and turnout.

Hay & Grain – High-quality feed & forage is included to ensure your horse's health and conditioning.

Full Training – Each horse receives 5-6 training sessions per week tailored to their level, needs, and your goals.

Live Cattle Year-Round – We keep cattle on-site year-round to develop confident, cow-smart horses.

Flag Machine Access – A mechanical flag is available for precise, controlled training sessions to build timing, focus, and cow sense.

Client Requirements:

Before a horse can be dropped off for training, clients are required to:

- Sign a **Training Agreement** outlining terms, responsibilities, and liability.
- Provide a **current negative Coggins test**, dated within the past 12 months.
- Submit a **health certificate** from a licensed veterinarian.
- Present **complete vaccination records**, including proof of core vaccines and any region-specific requirements.

We take the health and safety of every horse seriously and appreciate your cooperation in helping maintain a clean, disease-free training environment.
